The Concept

- An initiative supported by the European Commission and hosted by the ePractice portal
- Provided to an open community for a free usage
- No “control” from the Commission
- Objective:
  - Create and maintain a live community of European eProcurement practitioners
  - Foster knowledge exchange
  - Encourage discussions and sharing of doubts

eProcurement Forum

What can you get?

- Large repository of “cases”
- Library containing reports, guidelines, studies etc..
- Updated information on:
  - On-going initiatives
  - Events
  - News
- Support for organizing events and contact other experts

eProcurement Forum

On-line eProcurement survey

- Launched by:
  - The eProcurement Forum,
  - the DG Internal Market and Services and IDABC eInvoicing and eOrdering project of the European Commission
  - nd the CEN Workshop on Business Interoperability Interfaces for Public Procurement

- Objective: gather information about **existing eProcurement systems and supporting tools** that can help fulfil the vision of seamless, standards-based electronic public procurement across Europe as committed in the i2010 eGovernment Action Plan

- You can access the **survey** by connecting to the IPM Tool at: http://ec.europa.eu/yourvoice/ipm/forms/dispatch?form=eProcurementSurvey
  or from the welcome page of the community
